

Monday, February 5, 2007 – Public Involvement Plan meeting agenda

Our proposed agenda for the meeting is as follows:

1. Reports from individuals who have completed previously assigned public involvement tasks
2. Review the draft public involvement plan for the Countywide zoning project
 - a. Discuss the ideas and embedded questions/comments
 - b. Detailed discussion about the first round of meetings
 - c. Assign different sections to different individuals to complete
3. Discussion about potential opportunities for consulting assistance with the public involvement plan (we are hoping to have more information about potential resources to share)
4. Set up a schedule of regular meetings
